Dear Mr. Lindstedt:

Re: Reclamation Surety, Georgia-Pacific Gypsum Quarries, M/041/009, Sevier County, Utah

Please find enclosed one Reclamation Contract form and one Self Bonding and Indemnity Agreement form. These forms need to be filled out and returned to the Division to complete Georgia-Pacific's permit obligation to the State.

My apologies for the delay in getting these forms to you. The proverbial ball was inadvertently dropped with the exit of Frank Filas and my taking over his responsibilities, during August of 1988.

For clarification, please find attached a copy of your August 4, 1988 letter to the Division acknowledging the Board's action to approve Georgia-Pacific's self-bonding request.

For questions, please contact either me or Wayne Hedberg who is the permit lead for Sevier County.

Sincerely,

Holland Shepherd  
Reclamation Specialist
